

Surface Mounted

## SCP/S

IP54

These round-shaped products are surface mounted fixtures. Since light can be extremely homogenous and the protection class is high, the usage of areas are also quite large. Luminaires can be made at two different heights. Luminaires can be more functional by offering kit and sensor mounting option.

## SCP/N

PIR Sensor(Optional)

KIT + SENSOR

PIR Sensor

Code	SCP/S	SCP/N
LED	High Efficiency Mid-Power LED	
Power	24W	
Light Flux	2.050 lm	
Driver	Included	
Colour Temperature	3.000 - 4.000 - 5.000 K	
Voltage	180 -240 V / 50hz	
Body	Polycarbonate	
Diffuser	Polycarbonate - opal	
Emergency Kit	—	1 - 3 hrs
